Asthma

Heart Disease

on Blood Thinner

CHRON'S DISEASE

any other chronic medical condition

♥ Take the MediPal® Challenge ♥

Without hesitation, can you name every medication you are taking *and* the dosage?

Now imagine you've just been in a car accident and you're very upset. When First Responders ask what medications you're taking, and the dosages, will you be able to tell them?

- Please ask your loved ones to take the MediPal® Challenge -
